"...the way the questions are designed makes it possible for both children and adults to answer easily, awakening their interest to continue reading and understanding the Scriptures..." -Pastor Ruben and Graciela Castañeda, Ensenada, México

"We have found the Panoramic Bible Guide, designed by Janice Nunez, to be very practical and useful for church. We are using it with the young people in Cordoba (Spain). Our objective is to introduce and establish them in daily reading of the Scriptures. The material is very appropriate, consisting of a brief reading each day which doesn't require much time nor effort, even for those not used to this discipline. The questions over this reading help consolidate what they've read, and emphasize some of the fundamental truths of the lesson. We also use it as material for the young people as they share how a particular reading has blessed them, and they also bring their questions which can serve as a springboard for debates over what they've read." -Pastor Paco, Cordova, Spain

"This year, 2015, has been an exciting year reading the Bible...[with our church]...in a new and innovative way. After personally reading the Scriptures for 30 years, I would have thought there was no other way to read it. But this Bible Guide has taken me along new paths and in a novel way. I have greatly enjoyed it. Thank you." -Daniel Valles, Journalist and Public Speaker

"We use the Biblical Guide in my congregation in order to all be on the same page...it is full of wisdom... this system is good for students of the Word, from children just getting acquainted with the Blessed Word, as well as serving as an excellent reminder of the basics for those of us who have been on this path for years." -Luz Abigail Gaona Alvarez, former translator on Christian television in Ensenada, Mexico

"The Panoramic Bible Guide and questionnaire are an excellent tool...to increase our vision in Christ Jesus and to reinforce our principles and convictions as children of God...special creativity so that it is an exploratory adventure for children and a magnifying glass for adults...We can discover important details that we overlook... This is a very valuable work towards establishing the Kingdom of God." -Martha Ortega. Restoration of Women, Heart of Ruth, Ensenada, Mexico
